

Public Schools of North Carolina

Angela Hinson Quick
Deputy Chief Academic Officer
North Carolina Department of Public Instruction
November 18, 2009

Question:

What are some effective ways to increase emphasis on science instruction in our state's schools?

Question:

In what ways do the Department of Public Instruction and the State Board of Education interact to influence, inform, and implement policies related to school science education?

Question:

What are the latest (and forthcoming) changes in the organizational structure of NCDPI?

What influence do these changes have on science education in our state?
